From Our Principal

We have found that the comments of our students, alumni, and parents can paint a good picture of the benefits of being a part of the Eagle family. These groups have many experiences here at Lutheran High Northeast to draw from...whether it be in the classrooms, hallways, chapel, on academic clubs, athletic teams, music groups, or even at lunch - students can, in their own words, paint a picture of the Christ-centered atmosphere which we actively seek as a school. In addition, we know our past and present students and families will be honest in their comments and would be open to personally sharing their thoughts about the school any time. If you know a former student or family, feel free to ask them about their experiences here! Even better, give me a call at school and I can set up a shadow day for your son or daughter so they can firsthand experience a day in the life of an Eagle. You can also schedule a time to come in and privately discuss our financial aid programs and see how we can make it affordable for every family! Give us a call – we hope to hear from you soon!
