

Lutheran High Northeast Booster Club

COMMITTEES

Membership - Committee is in charge of getting family & business memberships for our booster club. Much of this is done through emails to families and businesses. Thank you letters and business plaques are sent out.

Hall of Faith - Committee is in charge of organizing the spring Hall of Faith recognition ceremony for members of the "LHNE Family" that have shown exceptional support for Lutheran High. The recipients and families are invited to a dinner and ceremony, plaques are displayed in the commons and a token of appreciation is presented to each recipient by a presenter at the ceremony.

Eagle Card - Committee is in charge of coordinating and developing the Eagle Cards for the school year. These cards are for businesses to offer support through discounts on the cards. The businesses are approached to be a part of the card and the cards are prepared to be distributed at registration. Each family that attends LHNE is asked to "sell" a certain number of cards.

Pancake Feed - Committee is in charge of coordinating a fall fundraiser in October in conjunction with a bake sale. Funds have been used for vehicle purchases for the school. The main undertaking is getting food items lined up, the gym and servers ready and advertising the event.

Purchasing/Procurement - Committee is a smaller group of members to collect requests from school faculty, staff, and students for items they feel would be beneficial to the efforts of LHNE to continue it's activities and ministries in northeast Nebraska.

Concessions/Hospitality Room - Committee is in charge of lining up servers for the concession stand at all home sporting events and hosted activities. There are a couple of tournaments we host each year that have hospitality rooms for coaches, faculty advisors, referees, judges and others involved in the event. The hospitality rooms are an important part of having participating schools return year after year.

Fund Raising - Committee is composed of members interested in attempting to come up with new forms of raising funds for our club. Signage and program sponsors are a couple of ideas that have been implemented in the past.

Social - Committee is a "newer" committee that is trying to develop some social activities to get more families and individuals to be an active part of the booster club.

Trivia Night - Committee has implemented a new "fundraiser" in January to provide a fun activity as well as try to raise funds for LHNE and the #ibelong campaign. Will need help with advertising, sponsorships, silent auction items, food/drink, etc.

Golf Tournament - Committee has started a "fundraiser" in June to provide funds for LHNE scholarships and activities. Members help with advertising, sponsorships, food/drink, set up at El Dorado Golf Course.
