Old Business

Chrysler Cards – The Junior Class is currently selling the cards. Due to miscommunication, there will be no Dodge Drive during the pancake feed.

Thrivent Action Teams – Anyone submitting applications is asked to print off copies and give to Nicole or Tamara, even ones denied. This is to help keep track of what is being requested.

Lincoln Meals – A meal was given to Lincoln Lutheran and our teams after their game. Booster Club used 3 20# packages of Beef Blast meat for 100 sandwiches.

Eagle Card Pizza – No class met the challenge to sell 200 Eagle Cards. It was decided to give Scrip card prizes to the top 4 sellers (there was a tie for 3rd) in increments of \$75, \$50, \$25, \$25.

New Business:

Pancake Feed – All work slots are filled except one. There is still room for entertainment to perform. Set up will be at 3 p.m. on Saturday. Shelley Freudenburg used a Thrivent gift card to buy baking supplies and handed out to those making items for the bake sale.

Trivia Night – Marv Rosberg went over some of the suggestions given after last year's night. It was decided to stay with 8 man teams. The sound system was discussed again but no solutions surfaced. Discussion was held on how to advertise the event more. Several ideas were given for digital advertising. Diane Becker and Heidi Bitney will meet and come up with a plan. The date is January 20th.

YMCA Request – Leon received a request for a donation of \$1000 for 5 years for their new expansion. After discussion, it was decided this was not a wise use of Booster funds.

Donation Drawing – Brent Berner and Kevin Bitney presented the idea of Booster Club holding a Donation Drawing to help raise funds. Heidi Bitney made a motion to go ahead with the idea. Kevin Bitney seconded. Motion passed.

Tickets will be sold to enter the drawing for a 4-wheeler, Mountain Bike, and a pair of kayaks. They presented options of prizes. Ticket price will be 1 for \$20 or 6 for \$100. The drawing will be held February 6th during the last home boys/girls basketball games. Donations will be pursued to cover some of the cost of the items. Dawn Kucera made a motion to pay for items out of Booster Club funds with donations offsetting this expense. Marv Rosberg seconded. Motion passed. Brent and Kevin will work to get this up and running as soon as Pancake Feed.
