

GROWING *the Future,* ROOTED *in Him*

A Capital Campaign for Lutheran High Northeast

Greetings in Christ from the Students and Staff of LHNE!

We are excited to announce that Lutheran High Northeast is in the planning stages of a capital campaign for an addition to the current facility for the benefit of the students and community. This addition includes an agriculture and vocational education facility, and a new, up-to-date science lab. In order to conduct a successful effort to fund these needs, we must assemble a strong volunteer team to reach out to school families and community supporters of Lutheran High Northeast.

“Growing the Future, Rooted in Him” is a fitting theme for the LHNE community and this campaign because we are inspired by God to help our students prepare for their future and form the next generation of Christian leaders in our community.

On the back side of this insert you will find a list of volunteers who have already committed to helping out with the campaign. We would love to have your support in this endeavor as well!

Stay tuned - We will share more information in the coming weeks regarding the campaign. In the meantime, please pray for the support of the community and the efforts of the campaign volunteers!

We are thankful that several members of the LHNE community have already stepped up to help provide the necessary leadership. The following families have agreed to serve on our Campaign Cabinet:

Honorary Chairs:

Dr. Gordon and Gloria Adams
John and Cindy Dinkel
Larry and Sherry Dinkel
Dr. Leon and Kathy Gebhardt
Donna Herrick
Paul and Lois Leckband
Doug and Renee Sunderman

Campaign Chairs:

Shawn and Andrea Beaudette
Kenny Blank
Clint and Kim Bowland
Brad and Melissa Dinkel
Jerry and Bonnie Dolesh
Ivan and Karen Petersen
Paula Pflueger
Brent and Rachel Tietz
Jeff and Lynn Walmsley
Mike and Karri Wiederin

In their role, the Cabinet will oversee the effort and assist Daniel Sievert, our school principal, in implementing a successful campaign. One of their first responsibilities will be to recruit additional volunteers, and they are in the process of calling families and supporters to seek involvement in the campaign. We would love to have your help in this endeavor!

If you are not contacted in the next couple of weeks and would like to help with the campaign, please contact Fred Aufdembrink at 402.379.3040 ext. 301 or via email at faufdembrink@LHNE.org
